

A floor plan diagram showing two adjacent rooms: REC-Room on the left and Ctrl-Room on the right. A thick brown vertical line represents a wall or partition between them. At the top, a horizontal brown line represents a ceiling or another wall. In the top right corner, there is a light blue rectangular area with vertical white lines, possibly representing a window or a specific material. At the bottom, a thick black line represents the ground or a base. In the bottom left corner, there is a small black L-shaped structure. In the bottom right corner, there is a small brown rectangular area. Two light gray semi-circular shapes with dashed borders are located at the bottom of the rooms, one in the REC-Room and one in the Ctrl-Room, possibly representing a door or a specific feature.
